- The Cause:** Cooking Matters® helps low-income families across the country to shop for and cook healthy meals on a budget, as part of Share Our Strength's No Kid Hungry campaign. Participants learn to shop smarter, use nutrition information to make healthier choices, and cook delicious, affordable meals.

Inspired by Chef Andy Husbands, his team at Tremont 647, and their **20 years** of generously hosting the **Cooking Matters Massachusetts Dinner**, we are excited to expand this event across the state with the support of the Massachusetts Restaurant Association. On **MARCH 12TH**, twelve Massachusetts Restaurant Association restaurants will participate in **Massachusetts Restaurant Day for No Kid Hungry**. Dine with us at Cobblestones and enjoy an extraordinary multi-course meal with wine, created by chefs from the Merrimack Valley. No matter where you dine, all event proceeds will benefit No Kid Hungry's work to end childhood hunger in Massachusetts.
